**Authorised By:**

Any additional details (e.g. essay title; list of items being submitted, Seminar Group if applicable):

---

**Coursework Permission:**

Please tick the box below if you **do not wish** (including on behalf of other group members if relevant) for the University to use, copy or reproduce in any media your assignment (or any part of it) for the purposes of teaching other Bournemouth University students. This could include sharing such work with other Bournemouth University students. You are under no obligation to do so and not doing so will have no effect on the marking of your assignment.

[ ]

Please tick the box below if you **do not wish** (including on behalf of other group members if relevant) for the University to use, copy or reproduce in any media your assignment (or any part of it) for the purposes of promoting the University and its courses. You are under no obligation to do so and not doing so will have no effect on the marking of your assignment. If at any time you wish the University to remove your work from the relevant media, please email your request to FMC.Studentsupport@bournemouth.ac.uk. Your consent to the above does not affect your ownership rights in the assignment nor your right to use it for your own professional, study or personal reasons.

[ ]

**Coursework Declaration:**

1. I confirm that this assignment is my own work or, where I have referred to others' work, it is appropriately attributed; it has not been previously submitted for assessment on this course; I have read and understood the University guidelines on academic offences.

2. I understand that the University may wish to use my work for future academic purposes in accordance with University regulations.

3. I have retained a copy of the work and I understand that if I fail to collect this submission within 12 months of it being made available after assessment, the University is at liberty to destroy it.

4. I understand that the mark will be subject to ratification by the Examination Board.

5. Group-work: All group members' names should be identified on this form in the space provided below, but only one member needs to sign this declaration.
